FOUNDER MESSAGE

“True transformation is not just about systems and tools — it is about people, culture, and the courage to embrace new ways of working.”

We don't approach clients for business development — we meet them to listen, understand their challenges, and co-create solutions that truly matter.

Mohsin Ahmad Bhatti

Founder & CEO, Future Edge Consulting

OUR CHAIRMAN

Sarfraz Ahmed Rehman

Former MD & CEO, Fauji Fertilizer Company Limited

A seasoned business leader with a career spanning multinational giants such as Unilever, PepsiCo, and GSK — widely recognised for founding and scaling Engro Foods into one of Pakistan’s leading dairy companies.

He serves on the boards of Askari Bank, Fauji Fertilizer Bin Qasim, Philip Morris Pakistan, and Unilever Pakistan Foods — and mentors leadership teams at Shan, Careem, Engro, and ICI.

GLOBAL GROWTH ADVISOR

Syed Ayaz Bokhari

Former Chief Executive, Pakistan, The Linde Group · Country Head, Gillette

A senior commercial leader with diverse industry experience across British American Tobacco, The Gillette Company, Royal Dutch Shell and The Linde Group, spanning FMCG, Oil & Gas and Industrial Gases in South and South East Asia and Eastern Europe.

He has led Marketing and Country Head roles for Gillette in Pakistan, Romania and Bulgaria, Commercial & Retail for Shell Pakistan, and served as Chief Executive, Pakistan for The Linde Group.

LEADERSHIP TEAM

Mr. Saad Athar

Partner & Country Director — Kingdom of Saudi Arabia

A seasoned senior executive with over two decades of leadership experience across the UK and GCC markets. Proven in driving and implementing enterprise technology strategies across mega projects with multiple revenue streams, while strengthening governance, risk and compliance (GRC) and data protection, including cybersecurity.

Recognized for strategic leadership, financial stewardship, and cross-cultural stakeholder management within complex multinational environments.

LEADERSHIP TEAM

Lori Figueiredo

Strategic Advisor — Dubai

Lori brings over two decades of global experience delivering large-scale change, learning, and digital transformation initiatives across the UAE, UK, Singapore, South Africa, Asia-Pacific, Middle East and Africa with impact spanning 100+ countries.

She has partnered with some of the world's most respected organisations, including Standard Chartered Bank, DBS Bank, Credit Suisse, Cisco, HP, Dell, DHL, Coca-Cola, Castrol, Singapore Airlines, Jardine Matheson, Nando's, Symantec, NGOs and several government agencies.

Her expertise in fusing Human Intelligence (HI) with Artificial Intelligence (AI) strongly aligns with Future Edge Consulting's human-led digital transformation philosophy. Our shared purpose is in enabling organisations to accelerate change adoption, build future-ready capabilities, and deliver sustainable performance at scale.

LEADERSHIP TEAM

Mr. Vimoj Mohan

Country Operations — UAE

A seasoned operations and business development leader with close to two decades of experience across the UAE and wider GCC markets, spanning finance and compliance, regional sales leadership, strategic partnerships, and entrepreneurial venture-building. His career reflects a rare breadth, from AML and compliance functions at Standard Chartered Bank, through finance operations at Mattel Inc, to driving regional growth as Managing Partner at Global Management Consultants and Regional Manager, GCC at Grupsa Door Systems, where he built client acquisition and strategic partnership pipelines across the UAE, Saudi Arabia, and wider Gulf.

Recognised for his extensive regional network and cross-industry relationship capital spanning healthcare, F&B, construction, and consumer sectors, Vimoj brings a proven ability to open markets, structure partnerships, and drive commercial outcomes in complex, multi-stakeholder environments. He joins Future Edge Consulting as Country Operations Lead for the UAE, having previously worked alongside FEC's leadership at Global Management Consultants, bringing both continuity and renewed regional momentum to the firm's Dubai operations.

WHAT WE DO

Core Offerings

Your business. Our innovation. A future-ready partnership.

01

Comprehensive Digital Transformation

From strategy to execution, future-proofing businesses for the next decade.

02

Smart & Scalable Systems

Secure cloud migration and tailored ERP solutions built for enterprise scale.

03

HR Tech Solutions

Talent management portal, succession planning, bulk hiring, cognitive and psychometric assessments.

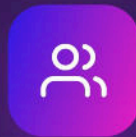

04

Next-Gen Learning & Development

Effective LMS, interactive e-learning, corporate training, and VR simulations.

OUR FRAMEWORK

How we deliver real business outcomes

PEOPLE INTELLIGENCE

Assessing, hiring, and developing the right talent through globally trusted platforms.

Mercer | Mettl + Pulsifi

+

TECHNOLOGY IMPLEMENTATION

ERP, e-learning, and digital systems that turn strategy into measurable execution.

Odoo ERP + E-Learning & LMS

PILLAR 02

02

Technology Implementation

Turning strategy into execution through ERP, e-learning, and digital systems that integrate, scale, and deliver measurable results.

POWERED BY Odoo ERP + E-Learning & LMS

Odoo ERP Implementation

End-to-end ERP implementation, customisation, and long-term support — delivered by certified developers and functional consultants.

Implementation

Tailored to your business operations and workflows with minimal disruption.

Consultation

Expert guidance to align Odoo with your goals and growth plans.

Technical Support

Reliable, timely issue resolution and continuous maintenance.

Version Upgrades

Hassle-free migration to the latest version with data security.

Customisation & Dev

Tailored modules, workflows, and features built around your needs.

Integration & Deployment

Connect Odoo with third-party apps, payment gateways, and eCommerce.

Resource Outsourcing

Skilled Odoo professionals for short or long-term projects.

Training Services

Practical training designed for real business scenarios.

NEXT-GEN LEARNING

E-Learning Solutions

Traditional training is costly, inefficient, and struggles with engagement. Businesses need scalable, accessible solutions for lasting impact.

SCORM

Moodle

Unity

Articulate 360

01 E-Modules

- Organisation-specific e-learning modules with multimedia integration
- Interactive content with quizzes, simulations, and gamification
- AI-driven personalised learning paths for different learner needs

02 VR Simulations

- 360-degree immersive training modules for complex skill-building
- Simulated workplace scenarios for practical decision-making
- Industry-specific VR solutions

03 LMS Development

- Custom-designed LMS with intuitive UI/UX and performance tracking
- AI-powered chatbots for 24/7 learner support
- Multilingual and voice-interactive features for global accessibility
